HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
ANGEL KISS (Blend of lavender & chamomile)	Useful as an anti-inflammatory for inflamed or irritated skin (great in combination with Witch Hazel Hydrosol)!	A digestive aid, helping with upset stomachs, heartburn and indigestion.	Perfect when baby is grumpy, just mist in the air around the baby's aura!	
Arnica (<i>Arnica cordifolia</i>)	This Hydrosol is excellent rubbed full-strength on tired, sore feet as well as varicose veins. It is used for minor muscle aches and pains. Applied directly to a cotton pad, it can be applied to the face to refresh and stimulate tired and drawn skin.	<i>As with other Arnica preparations, Arnica Hydrosol should not be taken internally.</i>		
Arizona Cypress (<i>Cyprinus arizonica</i>) NOTE: This hydrosol contains ketones and should not be used by pregnant women or those with neurological sensitivities.	Helps puffy eyes, swollen ankles, edema. Antiseptic. Helps with cystic acne, eczema, psoriasis, wound washing. Styptic: use as an aftershave to slow bleeding from shaving nicks, or on fresh cuts to speed healing. Anti-inflammatory: Helps roceca, inflamed skin. Natural deodorant: offers an ancient desert scent. Use in a compress for varicose veins. Reduces skin itching, rashes.	Respiratory relief, clears sinuses, helps sore throats, hoarseness, congestion. Has been used successfully in weight loss programs and is said to be especially effective when combined with Juniper Berry Hydrosol! The program suggested is 1 oz a day (or 1/2 oz of Juniper Berry and 1/2 oz. of Arizona Cypress in a liter of water, to drink throughout the morning. Be sure to be by a bathroom, especially during the first week of the program!	Excellent meditation tool. Helps the "Monkey Mind." Helps with mental focus and with emotional grief. Very comforting. Protective of Boundaries. Use with rituals.	The scent of the high desert after a spring rain! Woody, high Chaparral scent

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>COLD & FLU, SKIN INFECTION SUPPORT</p> <p><u>A very special Co-Distillation:</u></p> <p><u>Oregano</u> (<i>Oreganum vulgare</i>), <u>Savory</u> (<i>Satureia hortensis</i>), <u>Thyme</u> (<i>Thymus vulgaris</i>) & <u>Echinacea</u> (<i>Echinacea purpurea</i>)</p>	<p>Helpful in treating psoriasis and eczema, soothes the itching, calms inflammation, and assists healing of the basal cells of the skin!</p> <p>This hydrosol has also been effective against local skin infections: including impetigo and other staph infections.</p>	<p>Early prevention and treatment of flu-like symptoms! The synergy of these anti-viral hydrosols is purported to ease the aches and pains, and provide anti-viral and anti-bacterial properties. They work together to support and strengthen the immune system. People who have used this state that a few spritzes in the mouth 3-4 times a day, or a tsp. in a liter of water consumed throughout the day helps relieve flu symptoms within 24 hours. NOTE: This statement is not a prescription, but rather a suggestion for a natural approach to gentle healing. Diluted with water, it can be used as a mouthwash and is especially useful for toothaches. Pain relief, amoebicide, anticandida, treats upper respiratory infection, decreases lymph node swelling, and lessens nervous fatigue.</p>		<p>The in vitro antibacterial activity of the hydrosols of sixteen spices (anise, basil, cumin, dalmatian sage, dill, fennel, laurel, mint, oregano, pickling herb, rosemary, sage, summer savory, sea fennel, sumac and black thyme) were tested on fifteen bacteria (<i>Bacillus amyloliquefaciens</i> ATCC 23842, <i>B. brevis</i> FMC 3, <i>B. cereus</i> FMC 19, <i>B. subtilis</i> var. <i>niger</i> ATCC 10, <i>Enterobacter aerogenes</i> CCM 2531, <i>Escherichia coli</i> ATCC 25922, <i>E. coli</i> O157:H7 ATCC 33150, <i>Klebsiella pneumoniae</i> FMC 5, <i>Proteus vulgaris</i> FMC 1, <i>Salmonella enteritidis</i>, <i>S. gallinarum</i>, <i>S. typhimurium</i>, <i>Staphylococcus aureus</i> ATCC 2392, <i>S. aureus</i> ATCC 28213, <i>Yersinia enterocolitica</i> ATCC 1501). The hydrosols of six spices (anise, cumin, <u>oregano, savory echinacea and thyme</u>) had antibacterial activity against the test bacteria. <u>Oregano and Echinacea were most effective against all bacteria during incubation.</u> Anise, cumin and black thyme hydrosols were active against some bacteria, but not all. The other hydrosols did not show activity against all bacteria tested.</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Comfrey (<i>Symphytum officinale</i>)</p>	<p>For burned or irritated skin. Soothes, heals scrapes and cuts. Wound healing. Takes itching from rashes & insect bites. Stimulates and strengthens tissues. Mild astringent, emollient. Encourages bone, tendon and tissue healing. Diaper rash, varicose veins, Acne, skin conditions. Regenerates aging skin (contains mucilage).</p>	<p>Has been known to help asthma, rheumatism & arthritis. In douche or bath, for vaginal health. Caution when taking internally (has been known to cause liver failure in <i>large</i> doses) NOTE: Some take this as a liver tonic. Use on pets as an eye and ear cleaner.</p>		<p>Very mildly aromatic Contains Allentoin (a cell proliferant), and is called “bone heal” as it helps to assimilate calcium into the bones.</p>
<p>Cucumber (<i>Cucumis sativus</i>)</p>	<p>Anti-inflammatory: Helps roceca,</p>	<p>Add a 1 tsp. to a glass of water for a refreshing beverage. A melon-like sweet tone.</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Douglas Fir <i>(Pseudotsuga menziesii)</i></p>	<p>Helps to purify and protect all skin types. When sprayed as a facial toner, it is known to balance the pH of the skin and soothes inflamed, sunburned or acne-proned skin. Known to minimize the appearance of hyper pigmentation (sun damage and dark spots). Rich in Beta-Pinene, Douglas Fir is the perfect skin conditioner for men, women, and teens alike: Its woody and sweetly resinous scent will appeal to all genders and ages. Perfect for removing make-up. Disinfectant and antiseptic properties: useful to clean and soothe razor cuts, scrapes, or rashes. A gentle daily substitute for his aftershave.</p>		<p>Spray it on your sheets to calm your senses that have been frayed and assaulted by city or urban life.</p>	<p>The Scent of Nature, Stillness, Adaptability and Peace. Can be used throughout the day on your skin, body, hair or sprayed into the air: uplifts the mood and boosts the energy. A worthy meditation tool (or room freshening spray) that brings Expansive, Empowering, Centering, Uplifting, Calming, and Anchoring energies .</p>
<p>Echinacea <i>(echinacea purpurea)</i></p>	<p>Analgesic, anti-infectious, anti-inflammatory, anti-viral. Good for sanitizing hands, door knobs, etc. during winter or when colds are prevalent.</p>	<p>One of the most effective immune booster (immunostimulant)!</p>		<p>Nice herbal taste. Mild, pleasant.</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Feverfew (<i>Tanacetum parthenium</i>)</p> <p>Not recommended for pregnant women or people taking blood thinners</p>	<p>Skin conditions. For sensitive faces, skin moisturizer. Discourages blemishes. Mist & compress for migraines. Muscle & arthritis pain. Anti-inflammatory. Effective against Psoriasis. Insect repellent. Use topically for insect bites.</p>	<p>Migraine headaches. (Good to use daily for prevention) When feeling one come on, start spritzing in mouth frequently. Promotes restful sleep. Helps memory!!</p> <p>Relief from depression, nausea & arthritic pain.</p> <p>Improves digestion.</p> <p><u>Reduces fevers.</u></p> <p>Arthritis.</p> <p>Menstrual irregularities & premenstrual headaches. Toothaches. Rich in iron, niacin, Vit.'s A & C!</p>	<p>Asthma. Relieves tension: Stress-buster.</p>	<p>Parthenolide, an active compound that helps relieve smooth muscle spasms. In particular, it helps prevent the constriction of blood vessels in the brain (one of the leading causes of migraine headaches). Parthenolide also inhibits the actions of compounds that cause inflammation and may inhibit cancer cell growth.</p> <p>Cortisone-like properties, reduces arthritis and inflammatory pain.</p> <p>*Interferes with blood clotting!</p> <p>Long-term users report relief from depression, nausea and inflammatory arthritic pain.</p>
<p>Goldenrod (<i>Solidago canadensis</i>)</p>	<p>Use as a mist on face for seasonal allergies. Excellent as compress or friction rub for arthritis and rheumatism. Use for fluid retention & uric acid in joints & tissues. Strong anti-inflammatory & moderate antispasmodic, for sore muscles, stiff neck, tendonitis, & repetitive strain injuries. Prevents inflammation if used as a friction rub before or after workouts. Reduces swelling in varicose veins. Also aids in wound healing.</p>	<p><u>Bladder inflammation.</u> Strong diuretic, aids treatment of kidney stones, cleanses hepatorenal system. <u>Cardiotonic properties:</u> lowers blood pressure (avoid if already low), as well as anti-inflammatory</p> <p>Helpful with endocarditis & pericarditis.</p> <p><u>Boosts immune system during colds and flu.</u></p>	<p>Very energetic: carries intense vibrations of sun & heat; opens the solar plexus & diaphragm, bringing calm. Energetic healing for emotions & heart & for help in releasing old anger.</p>	<p>Aroma of wet hay, dry feeling in mouth (shows the diuretic quality)</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Green Tea (<i>Camellia senensis</i>)</p>	<p>Potent anti-oxidant! Prevents degradation of cell membranes: Anti-aging & wrinkle reduction. Reduces sun damage. Clears acne.</p>	<p>Provides a gentle caffeine pick-me-up without the jitters.</p> <p>Spritz directly into mouth or into glass of water.</p>		<p>Aroma is just that of a good strong cup of excellent organic green tea!</p>
<p>Horsetail (<i>Equisetum arvense</i>)</p>	<p>Silican: Cartilage growth, nail & hair building. Hair volume, health and sheen. Treats dandruff. Promotes healing from wounds & burns. Increases collagen, firms & refreshes skin. Strengthens fingernails. Relieves arthritis, stiffened joints, sprains & strains. Slows growth of polyps, tumors. Washings & baths are beneficial for inflammation of the nailbed, cracked feet, caries, old festering wounds, cancer-like growths, bony projections on the heel, fistulas, barber's itch and herpes. In face spritzers to give skin a firm & smooth look & feel. Improves elasticity of both hair & skin. Eliminates excess oil from skin & hair. Strengthens connective tissue as well as increase the skin & scalp's defenses.</p>	<p>Treats cystitis: <u>Urinary tract cleanser.</u></p> <p><u>Osteoporosis, osteo & rhumatoid arthritis.</u></p> <p><u>Mouth sores, Silica & Calcium aid in tooth enamel.</u></p> <p>Gargle for sore throat or bleeding gums.</p> <p>Diuretic to reduce edema.</p> <p>Something that many people may not know is that the silica in horsetail also acts on lipid metabolism, resulting in an anti-atheromatous action. Translation: <u>horsetail helps guard against fatty deposits in the arteries!</u></p>		<p>Aside from silicates, horsetail is abundant in potassium , aluminum, and manganese , as well as a variety of flavonoids.</p> <p>Because it contains silica and minerals, horsetail often is used to strengthen bone, hair, and fingernails -- parts of the body that require high mineral levels. You may drink horsetail tea every day -- for no longer than a month -- if you've broken a bone.</p> <p>Also may be used by those who have wounds that do not heal well.</p> <p>Can increase both your calcium absorption and use, making it a powerful key to overcoming osteoporosis, rheumatoid arthritis and osteoarthritis.</p> <p>Rich in silica and mineral salts, Horsetail has a proven record as a re-mineralizer of bones and connective tissues.</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Juniper Berry (<i>Juniperus communis</i>)</p> <p>Note: we cannot endorse internal use with any hydrosol, due to FDA regulations.</p>	<p>Cleansing & detoxifying! Antiseptic. Good for tired feet. Treats acne, oily skin, blocked pores. Astringent toner & cleanser. Treats dry eczema. It acts like a diuretic on congested skin: Swollen eyes, ankles, etc. Use this topically (or internally) for arthritic & rheumatic pains For fibromyalgia, using externally in a spray or compress, or a 3-week treatment of internal use may be helpful.</p>	<p>Aids, gout, edema, rheumatic and arthritic conditions. It is cleansing and detoxifying.</p> <p>Use for bronchitis, candidiasis, as an anti-parasitic, & for arthritic & rheumatic pains in combination with Pine.</p> <p>For fatigue, immune depression and fibromyalgia, a 3-week treatment of internal use.</p>	<p>Spray to lift moods, provide energy and stamina.</p>	<p>Incredible sage-like pine.</p>

Makes excellent martinis!</p>	<p>Spray on your pillowcase and sheets for restful sleep. Great to spray on yoga mats! Children love this hydrosol as a sleep time ritual. Spray and repeat 3 times: AHHH!</p>	<p>Floral, sweet with honey overtones.</p>

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
<p>Lemon Balm (<i>Melissa officinalis</i>)</p>	<p>Cool and clarifying for all skin types and is a wonderful treatment for <u>stressed or tired skin</u>. Also treats poison ivy. Gentle enough for babies, safe for use during pregnancy. A spritz on the face and body will help treat stress, anxiety, and childhood agitation.</p>	<p>Melissa is also known to help <u>children with ADHD</u> when a teaspoon is added to one glass of water and consumed on a daily basis. A splash in a martini shaker makes a divine herbal cocktail!</p>	<p>Melissa is one of my favorite hydrosols to soothe both body and spirit! Melissa is well known for its ability to calm the body and mind, without being overly sedating.</p>	<p>Lemon, floral, mildly bitter. Softer on dilution. Spritz and enjoy both the physical and emotional support of Melissa!</p>
<p>Lemon Verbena (<i>Aloysia triphylla</i>)</p>	<p>A powerful mental relaxant and stress buster. Builds confidence. Strong Anti-inflammatory. For normal & combination skin.</p>	<p>Strong Anti-inflammatory. Balancing, calming, digestive, general tonic. Relieves stomach issues and indigestion. Has anti-spasmodic qualities to help calm the stomach, eliminate cramping and bloating. Helps with weight loss goals, protects muscles, reduces inflammation, boosts the immune system, reduces fevers, clears up congestion; soothes nerves, <u>As an exercise supplement, research has shown that the high antioxidant potential decreases damage done to the muscles during the workout, without inhibiting your body's development of additional muscle mass and increased stamina. This makes it the perfect workout companion!</u> It has been directly linked with reduced joint pain and aching, and recovery times for joint-related injuries, due to the impressive antioxidant performance. <ul style="list-style-type: none"> . Helps eliminate phlegm & mucus. . Treat respiratory congestion. . Reduces joint pain. . Boosts immune system. . Aids in weight loss (regulate sappetite) Relieves stomach issues. . Helps develop muscle mass. </p>	<p>Boosts self-esteem and confidence. Scent is soft, fresh & lemony. <ul style="list-style-type: none"> . Relief from nervous afflictions and stress. </p>	<p>Contains a high concentration of powerful antioxidant compounds, including verbascoside, nerol, geraniol, and citral: a powerful boost to many of your organ systems and metabolic processes.</p> <p>Research has connected supplementation with lowered oxidative stress levels and better overall health of the body, evidence by a decisive <u>increase in white blood cells, the first line of defense for our immune system.</u></p> <ul style="list-style-type: none"> . Mental relaxant & stress reliever. . Helpful for anxiety. . Boosts self esteem & confidence. . Stimulates the endocrine system. . Relieves PMS & cramping. . Digestive aid. . Use as a mouthwash after dental surgery. . Clarifying for the skin.

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
Lime (<i>Citrus latifolia</i>)	Stimulates skin circulation, Balances skin pH. Tightens outer epidermis. Oily or blemished skin. Rejuvenating facial toner. Varicose veins.	Salad spritzers, great in water.	Great to spray on yoga mats!	Refreshing, uplifting.
Linden Flowers (<i>Tilia vulgaris</i>)	Compress on forehead for <u>migraines</u> . Antispasmodic. Muscle relaxant. Mist skin on hot humid weather. <u>dry eczema, itchy irruptions (combine with Chamomile)</u> <u>Psoriasis (with witch hazel)</u>	Nervine, sedative. Helpful in colds, flu, cramps, indigestion. Take for <u>migraines and nervous tension</u> . Lowers blood pressure.	Children love this hydrosol as a gentle freshener!	Floral with a wheat-beer overtones, somewhat herbal. Superb flavor.... floral without the intensity of rose.
Lovage (<i>Levesticum officinale</i>)	Fabulous in deodorants <u>Neutralizes body odor</u> . Improves skin tone. Promotes wound healing. Antiseptic. Helps Poor circulation, joint pain.	Diuretic <u>Expectorant helps with fever</u> . Helps indigestion, menstrual irregularity. <u>Treats urinary tract infections</u> . <u>Relieves allergies</u> .		Fragrance is spicy, sweet, reminiscent of angelica, parsley and celery. Relaxing, soothing and slightly aphrodisiac. Sprinkle in your bathwater... you will be irresistible! It's a fabulous general body spray!
MEN'S FACIAL TONER Co-distillation of <u>Ponderosa Pine</u> , <u>Witch Hazel</u> , & <u>Chamomile</u>	A mild astringent, skin conditioner, quick refresher, and healing toner. Spray face after shaving or during the day! When you don't have the time to clean up, simply spritz on your face & neck. The scent is alive with antiseptic pine, conditioning with chamomile. The witch hazel heals, cleanses & tightens the skin, closing facial pores, and leaves a light film of moisture to help soothe dry skin.		This hydrosol is great for those stressful (and perhaps sweaty) days!	

HYDROSOL	EXTERNAL USE	INTERNAL USE	AROMATHERAPY	SCENT/TASTE, OTHER
Mugwort, Owyhee <i>(Artemisia ludoviciana)</i>	Heals and soothes inflamed skin. Anti-inflammatory. Sores, rashes, skin eruptions, itches, eczema. Great facial mist. Deodorant.	In bath for fevers. Herbal gargle for sore throat.	An excellent spray to cleanse your meditation space. Also to “smudge” rooms, closets, and any space.	Hydrosol: Floral & fruity scent. E.O.: Spicy sage-like back notes. Artemisia is named after Artemis – Goddess of the Moon, Nature and all wild things. Artemisia is loved for her spiritual emphasis.
Valencia Orange <i>(Citrus sinensis)</i>	Anti-inflammatory for skin, anti-bacterial, fungicidal. For greasy skin hydration & care. For cellulite & water retention. Hydrates, replenishes skin.
